Only you in this world

I believe in love at first sight,
Because the first time I saw you,
You gave off a lot of light
and I fell in love with you.

When we looked at each other
and I saw your smile,
You brought me the life.

Every day I look for you
But I can't find you,
Where are you?
I feel so all alone
Without someone like you.

If you want something with me,
You have to make the first move,
Because I'm so shy
To say I love you.
